Add Or Subtract

$10 \square 9 = 1$

$8 \square 3 = 5$

$5 \square 4 = 9$

$4 \square 4 = 0$

$2 \square 6 = 8$

$6 \square 4 = 10$

$7 \square 2 = 9$

$10 \square 3 = 7$

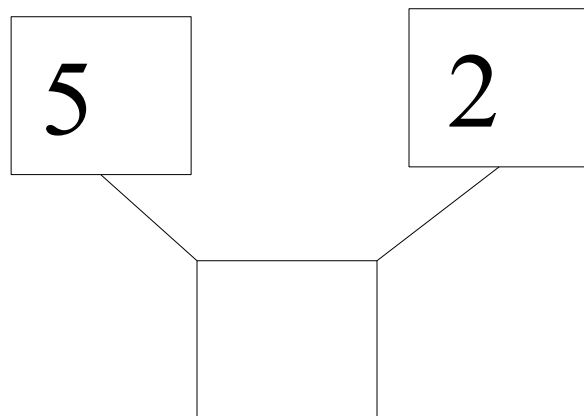

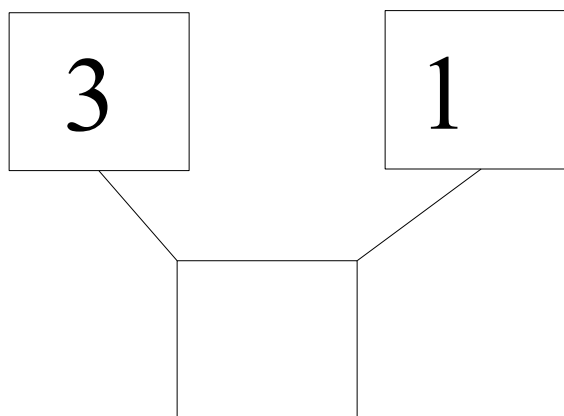

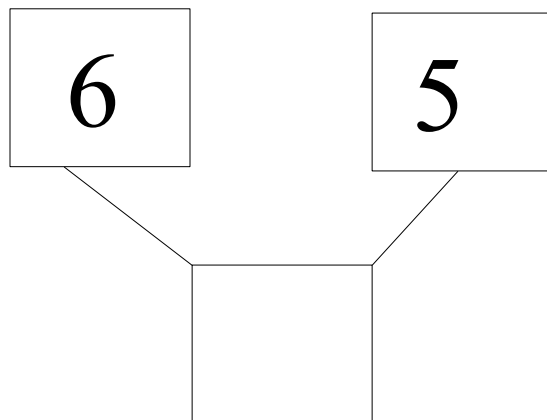

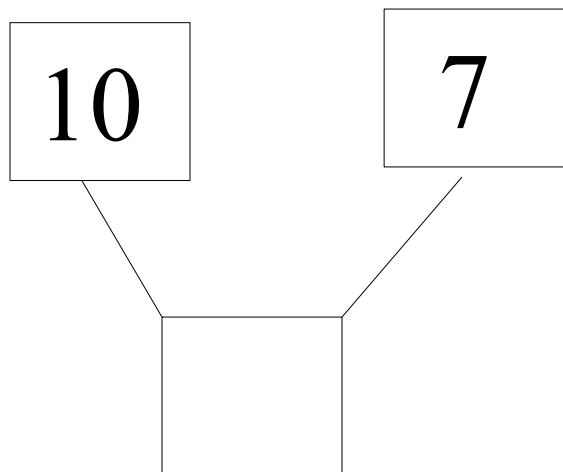

$3 \square 1 = 4$

$1 \square 1 = 2$

$2 \square 1 = 1$

$6 \square 4 = 10$

Number Bonds

Greater Than, Less Than

Make a $<$ for less than, and a $>$ for greater than, and a $=$ for the same as.

$1 \bigcirc 3$

$4 \bigcirc 7$

$5 \bigcirc 8$

$9 \bigcirc 6$

$7 \bigcirc 2$

$10 \bigcirc 8$

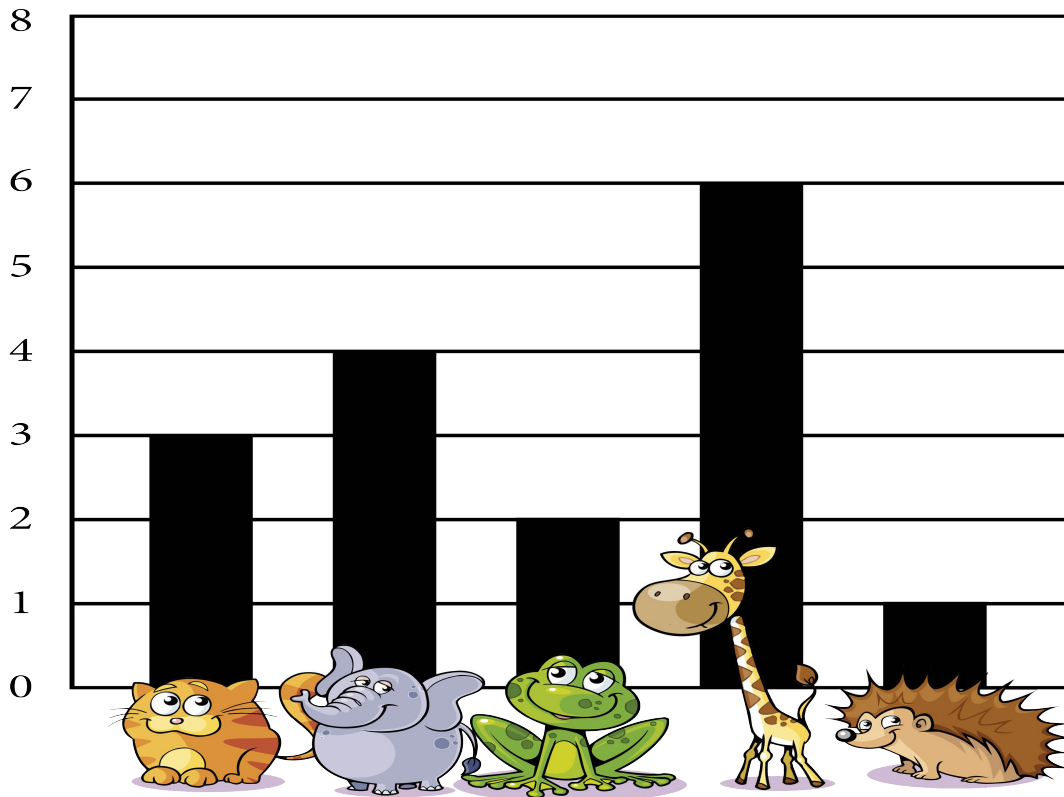

$8 \bigcirc 8$

$5 \bigcirc 6$

$5 \bigcirc 3$

$1 \bigcirc 4$

Using a Graph I

How much is the cat? _____

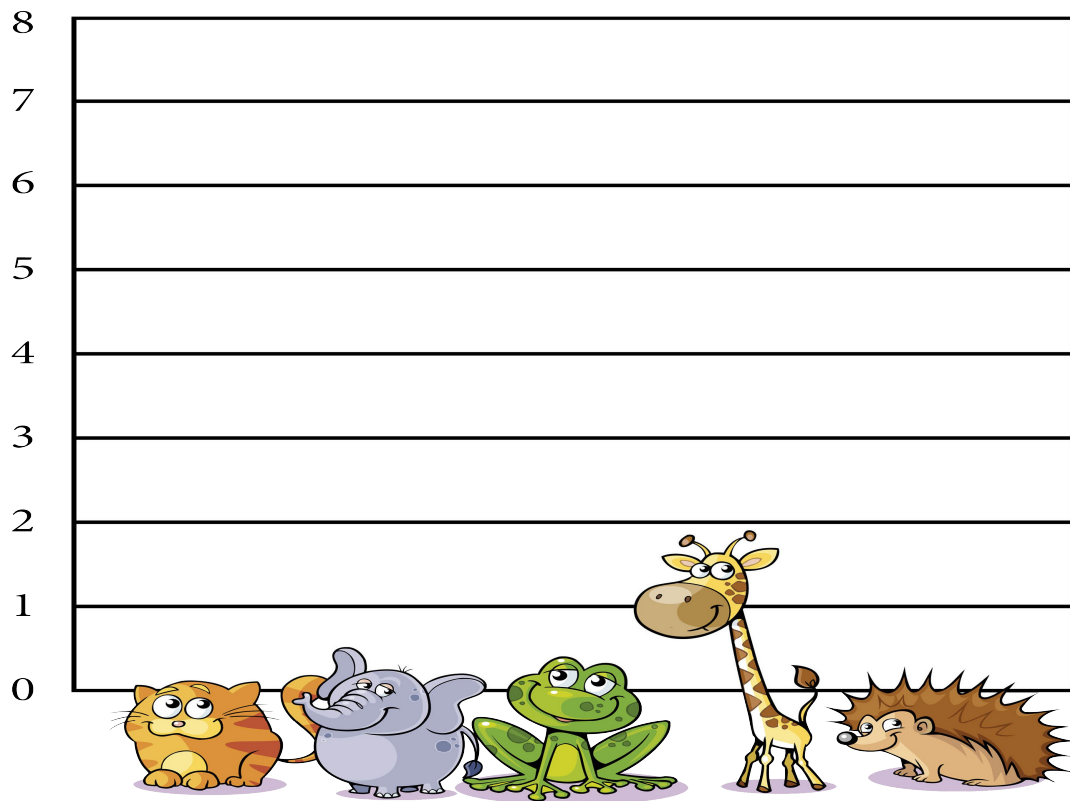

How much is the elephant? _____

How much is the frog? _____

How much is the giraffe? _____

How much is the porcupine? _____

Using a Graph II

Learn how to use a graph. Draw a colored bar to represent how much food each animal ate.

Cat ate 1 drumstick.

Elephant ate 5 cakes.

Frog ate 7 flies.

Giraffe ate 3 pieces of fruit.

Porcupine ate 4 bugs.

What Comes First?

Meet The Animal: Squirrels

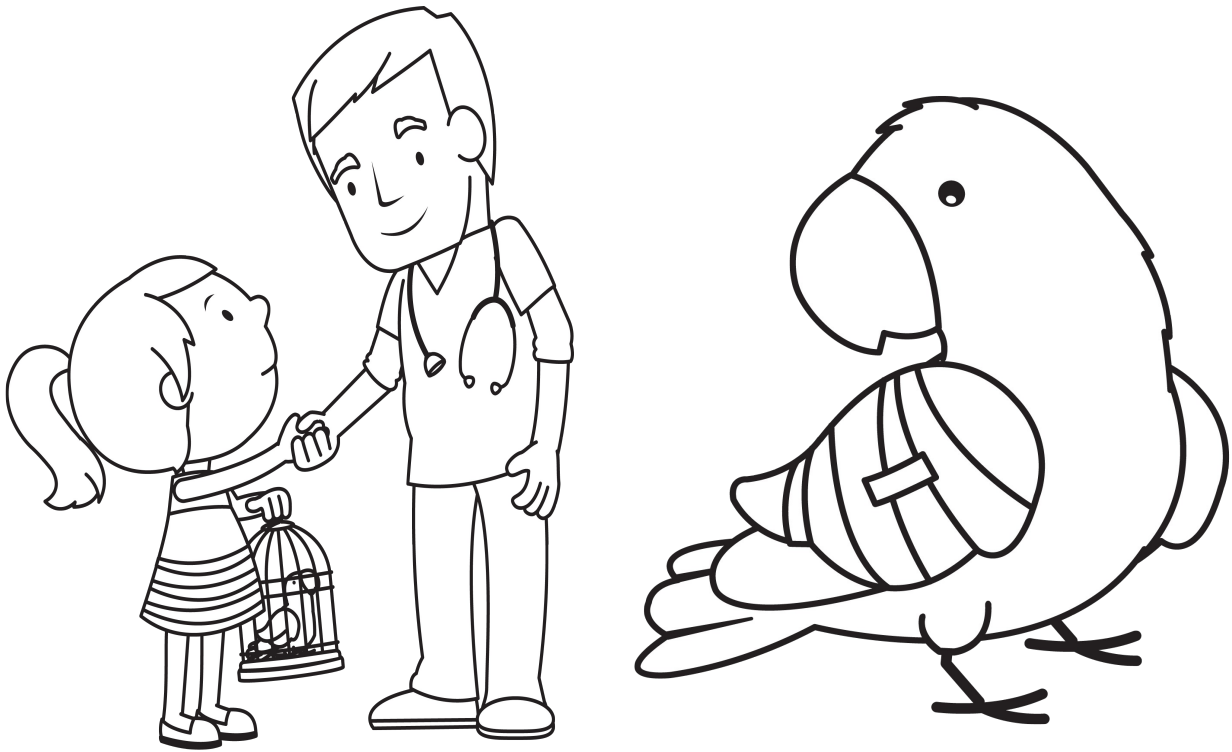

Squirrels are members of the sciuridae family, which includes small rodents. They live in almost every habitat from tropical rainforests to the desert.

Squirrels are predominantly herbivores, eating seeds and nuts, but many will eat small vertebrates and insects.

There are different types of squirrels, such as ground squirrels, tree squirrels, and flying squirrels. Ground squirrels and tree squirrels are active either during the day or at dusk and dawn, while flying squirrels are active at night.

What kind of squirrel do you live by?

Community Worker: Veterinarian

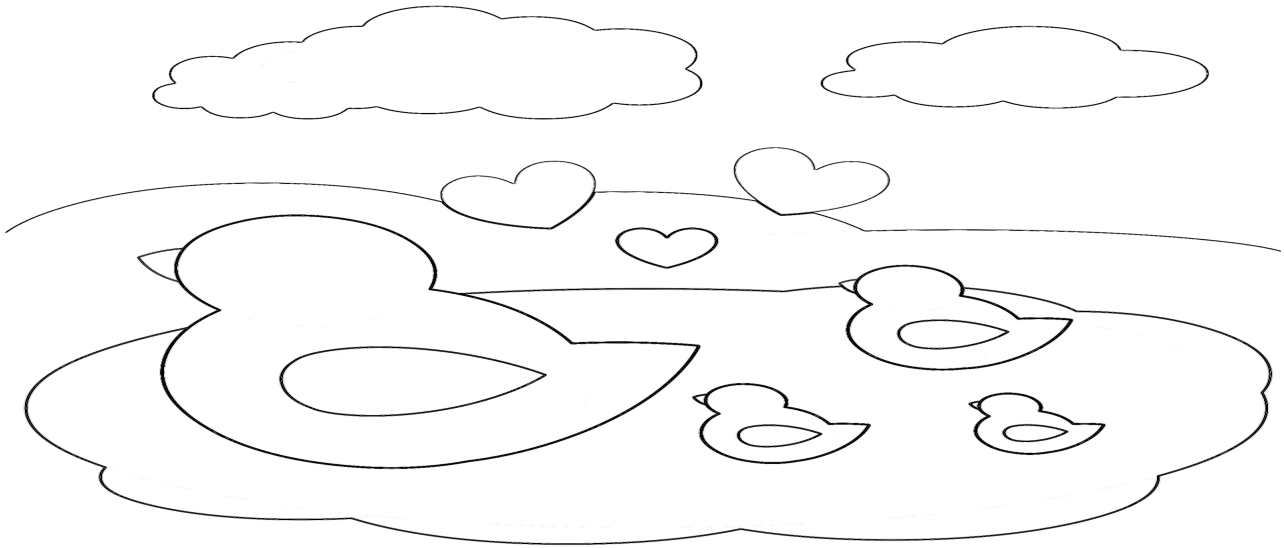

If you have a pet, then you have already been to the veterinarian. A veterinarian's job is to take care of animals and make them feel better when they are sick or hurt.

Veterinarians treat all kinds of animals. However, they may specialize in certain types, such as: companion animals, livestock, zoo animals, or equines. Just like doctors for humans, veterinarians may specialize in a medical discipline such as: surgery, dermatology, and internal medicine.

What is your favorite animal?

Six Little Ducks

Six little ducks that I once knew,
fat ones, skinny ones, fair ones too.
But the one little duck with the feather on his back,
he led the others with a quack, quack, quack,
quack, quack, quack, quack, quack, quack.
He led the others with a quack, quack, quack.

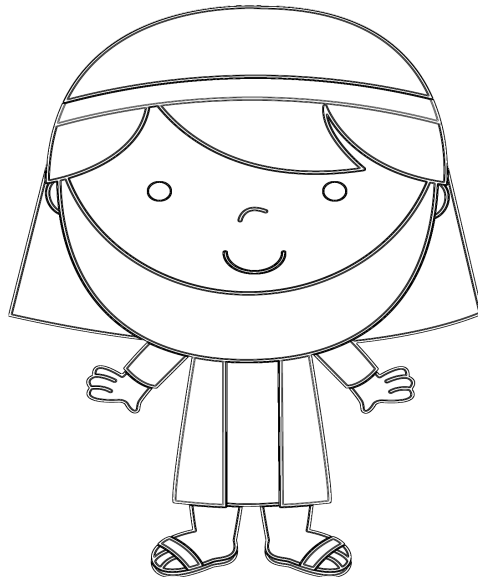

Down to the river they did go,
wibble, wobble, wibble, wobble, to and fro.
But the one little duck with the feather on his back,
he led the others with a quack, quack, quack,
quack, quack, quack, quack, quack, quack.
He led the others with a quack, quack, quack.

Home from the river they would come,
wibble, wobble, wibble, wobble, ho, hum, hum.
But the one little duck with the feather on his back,
he led the others with a quack, quack, quack,
quack, quack, quack, quack, quack, quack.
He led the others with a quack, quack, quack.

Abc's Of The Bible

Elijah

What did Elijah accomplish?

Abc's Of The Bible

Festival

Name some of the festivals the Israelites had:

Handwriting practice lines consisting of four sets of three horizontal lines each. Each set includes a solid top line, a dashed middle line, and a solid bottom line.

Jehovah Says

Then a voice came out of the cloud,
saying: "This is my son, the one who has
been chosen. listen to him."

Although Jehovah was speaking to those who were with Jesus during
the transfiguration, how can we still benefit from His words?

Imitate Jesus

There also came to him a leper, pleading with him even on bended knee, saying to him: "If you just want to, you can make me clean." At that he was moved with pity, and he stretched out his hand and touched him, and said to him: "I want to! Be made clean."

~ Mark 1:40,41

How did Jesus show love for the leper? How can you show love for others?
