## Parent Information

This packet is just a basic outline on some of the many stories about Jesus. There is so much information, but I can not possibly cover it all. I chose some of the stories that I liked and others to create a basic timeline, and there are supporting scriptures. You need to do additional research and find supporting scriptures to benefit fully. You can also use auxillary questions to bring out additional points. I hope this is helpful!

If there are suggestions on topics you would like to see in future study packets let me know!
