*Additional research might be needed to answer some questions, and to benefit fully. You can do this packet in two or three family studies. Have fun, my dear friends!

Elisha

Elisha was one of Jehovah's pro_h_e_s in the 10th and 9th century B.C.E. Elisha served as Elijah's attendant for about six years.

J_h_v_h chose Elisha as Elijah's successor about 917 B.C.E. and he received Elijah's official garment. Before Jehovah sweeps up Elijah in a windstorm, Elisha asks him for "a double portion" of his spirit. Elijah told him that this was not his to give, and that if he sees him depart, then he will get what he asked for. Jehovah allowed Elisha to see Elijah depart, so he was able to receive what he had asked for.

Elisha ends up performing twice the amount of miracles as Elijah:

$$8 + 8 = \underline{\quad\quad} \quad \text{or} \quad 8 \times 2 = \underline{\quad\quad}$$

1 Kings 19:16

2 Kings 2:9-15

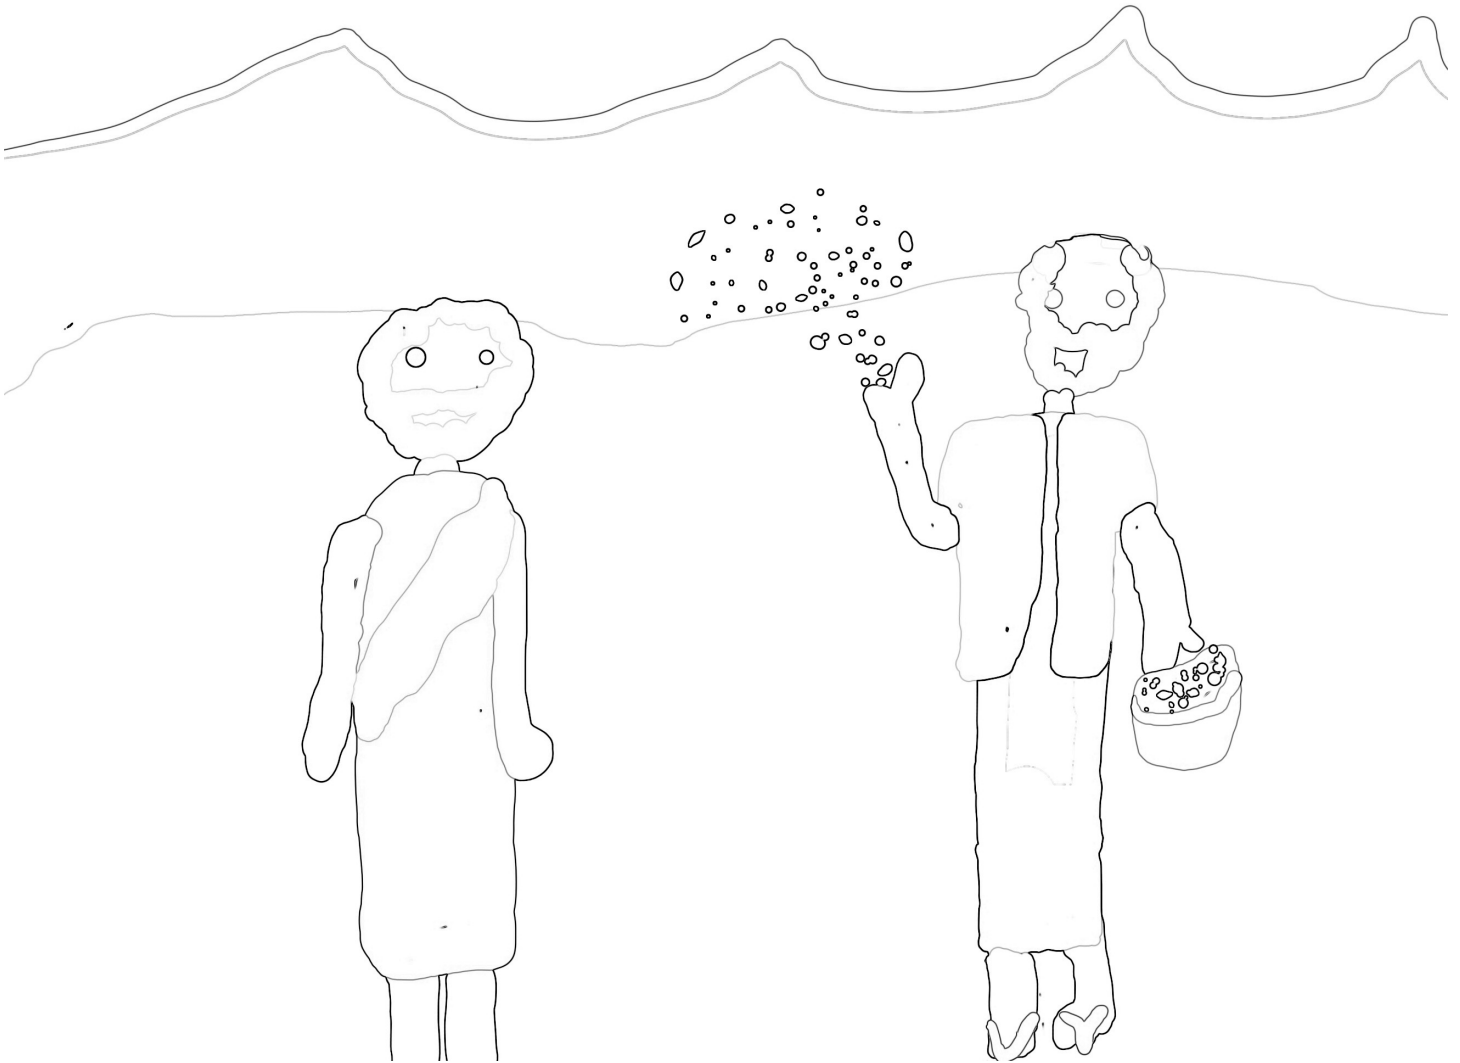

The Division Of The Jordan Waters

Color the picture and draw fish in the water.

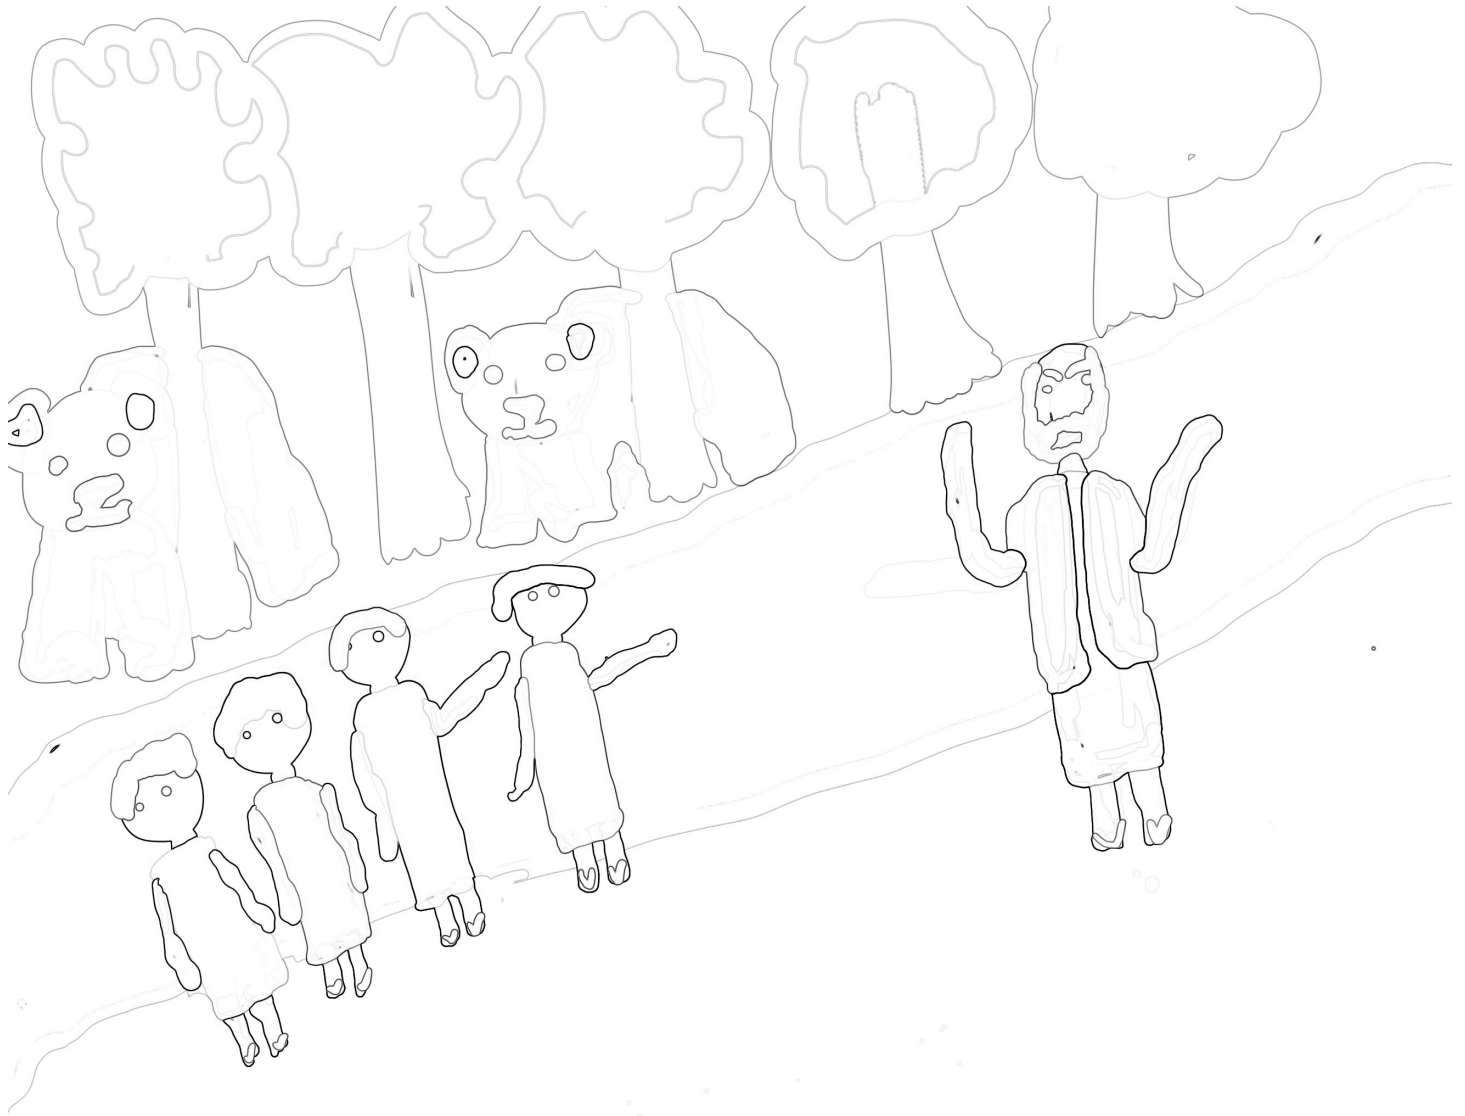

What did Elisha use to separate the water?

Water Supply Made Clean

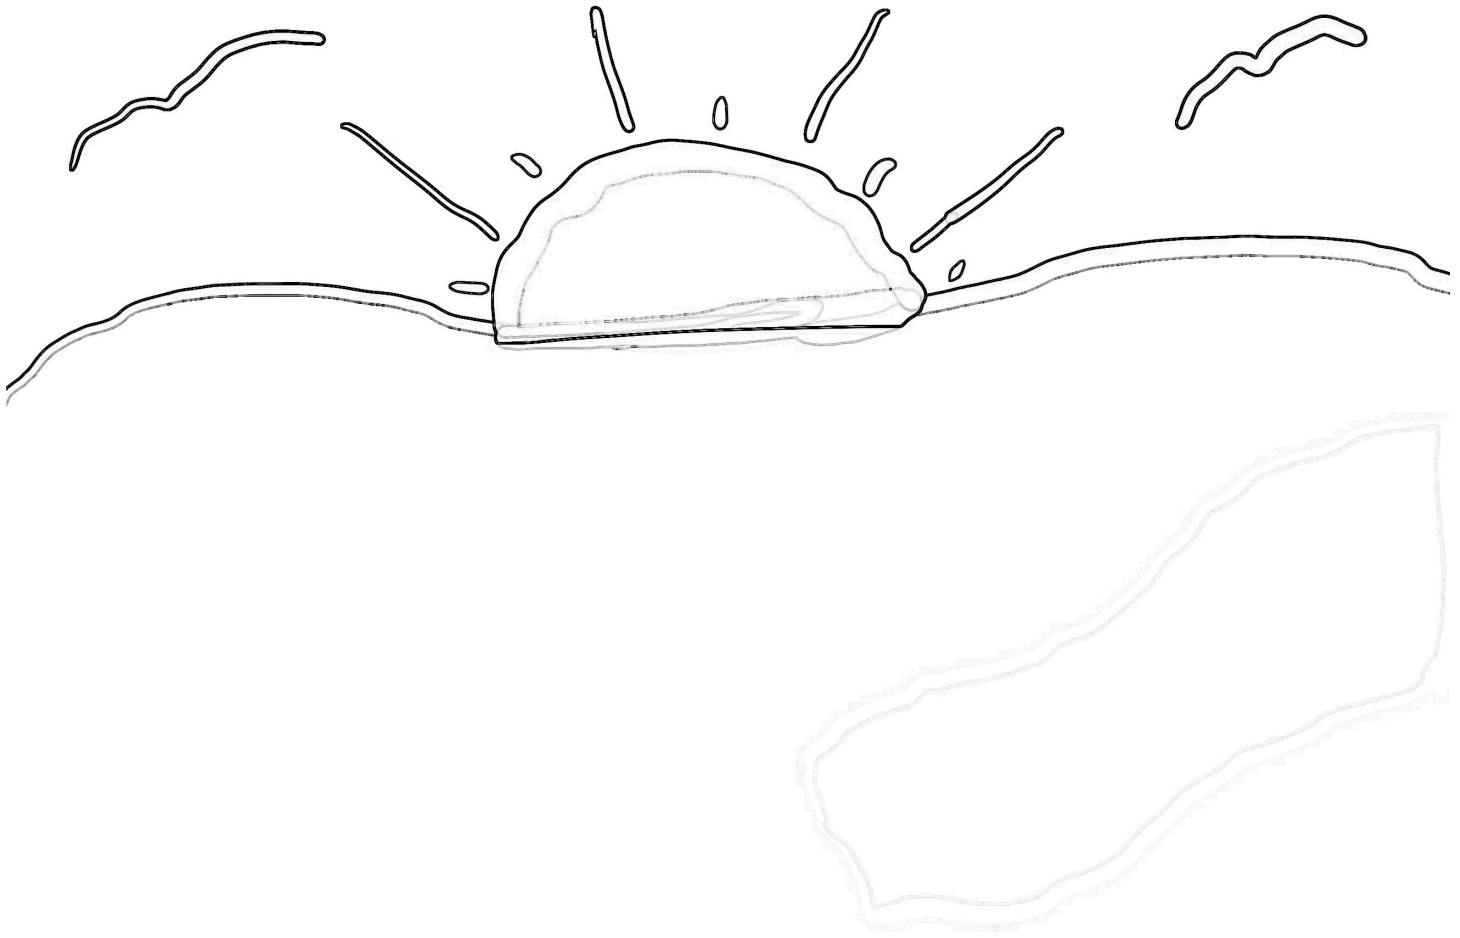

What did Elisha use to make the water clean?

She- Bears Attack Children

Why did Elisha 'curse the children, in the name of Jehovah'?

Armies Supplied With Water

What direction was the water coming from?

What did the Moabites think the water was?
